GELIM STRIPE

Gelim Stripe – Bauhaus

A dyed patchwork horizontal stripe, inspired by the wonderful textiles of Northern Iran which involved weaving, seaming, dyeing and overstitching, this is one of the most complicated and unique textiles Lewis & Wood have ever produced. Made up of five panels and woven into three different stripes it is an interesting interpretation of an ancient technique and comes in 5 colourways – Bauhaus, Indigo, Myrtle, Mulberry, Anthracite. RRP £152.40 per metre.
