

# Lewis & Wood

## RUB TESTS with Suggested Usage

The Martindale figures listed below refer to the strength of the yarns but not the longevity of the print.

All our patterns are digitally printed, which makes them less than ideal for heavy wear upholstery, but perfectly suitable for light domestic use. If you are looking for heavier use fabrics our general domestic and upholstery weaves are listed below and linked to their relevant web page.

### Suitable for Light Domestic Use

Adam's Eden	30k	Fleurie	35k	Pasha	30k
