

Lewis & Wood

CREATIVE FABRIC WORKSHOP

DECORATIVE EMBROIDERY with ALEXANDRA HUCKS

Join us for this wonderful session and discover how to make a bespoke cushion panel using decorative crafting techniques.

Friday 19th April 2024
10am-4pm
Top Floor, Woodchester Mill, GL5 5NN

£95 per person

You'll find out how to successfully combine different patterns and colours, choosing from an array of Lewis & Wood fabrics to compose your panel. Alexandra will then demonstrate embroidery stitches to embellish and enhance your design for a truly individual piece.

This workshop will offer inspiration and an introduction to the techniques you'll need to begin your project. You can work at your own pace with guidance on hand and there is no expectation to finish your piece on the day. There will also be the opportunity to try out free motion embroidery on a sewing machine if you wish.

All equipment, fabrics and embroidery threads will be provided. If you would like to complete your cushion at home, we can also offer pads and zips at an additional charge.

Our light-filled studio space is the ideal spot for a day of creativity.

Attendees will also enjoy a delicious lunch, afternoon tea and cake, plus access to our Top Floor sale shop.

- 12 places available.
- No experience necessary.
- All equipment provided, but feel free to bring your own sewing machine if you have one.
- Lunch and refreshments included - please inform us of any dietary considerations.
- Free parking on site.
- Please note the Top Floor can only be accessed via a flight of stairs.
