WOMAD LG
FABRIC & WALLPAPER

WOMAD was designed by artist and antique dealer extraordinaire Su Daybell as part of our English Ethnic collection.

Originally launched in three coloured backgrounds, the design has since been updated by reversing the artwork to create **WOMAD LG** (Light Ground) in two colourways - Henna and Northlight.

Fabric & Wallpaper

- . WOMAD 100 fabric can be printed as individual 275cm panels.
- . Or in continuous repeat, when both fabric and wallpaper will be printed to your specified height.
- . So whether for curtain drops or wallpaper, WOMAD 100 will arrive as pattern-matched panels ready to use.
- . In either straight or half drop repeat. You choose. See diagrams on p3.
- . No wastage at all.
- . The perfect pattern for walls or windows with high ceilings.
- . Before placing an order, please contact bespoke@lewisandwood.co.uk to confirm layout and measurements.
