

LOOKING EAST Drawing inspiration from the textiles and ceramics of the Middle East and Central Asia, two new fabrics, Palmyra (shown), £96m, and Damascus, £113m, form part of the Eastern Promise Collection by Lewis & Wood, 01453 878517, lewisandwood.co.uk. To acknowledge this debt to eastern design, the company is donating £2 for every metre sold to the British Red Cross Syria Crisis Appeal.
